

Springboard Pipeline

The Springboard pipeline continues to be robust with 117 companies participating in the program – up nearly 14% from the 103 companies in the pipeline at the end of September 2009. There are 20 life sciences, 63 technology, 16 cleantech, 3 wireless health, and 15 sport innovation companies in the program at the end of 2009.

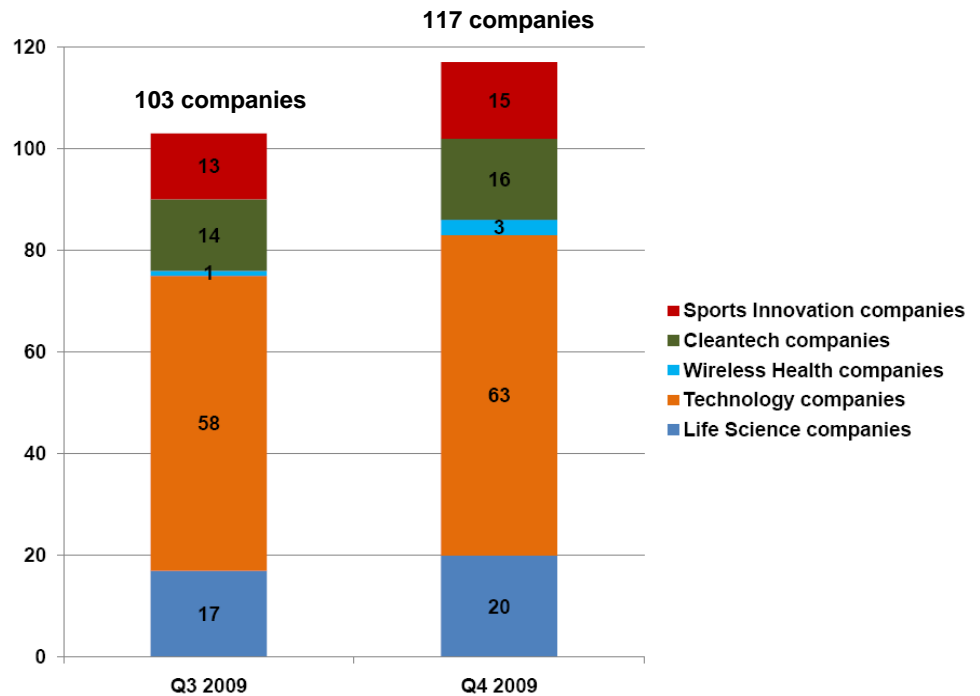

Springboard Pipeline
December 31, 2009
117 companies

Springboard Pipeline
Q3 2009 and Q4 2009

The distribution of companies in the pipeline across the industry clusters in the latter half of 2009 was as follows:

Life Science	17%
Technology	54%
Wireless Health	2%
Cleantech	14%
Sports Innovation	13%

Springboard Pipeline (cont'd.)

Forty-six applications were received between the beginning of October 2009 and the end of December 2009. This includes 24 technology, 11 life science, three cleantech, and eight sports innovation companies. The number of life science company applications more than doubled in the final quarter of the year compared to the previous quarter.

**Springboard Applications Received
October – December 2009
46 applications**
